TH513-U02 Angle Adapter with 3/8" holes

Rosenberger
Rosenberger Site Solutions, LLC

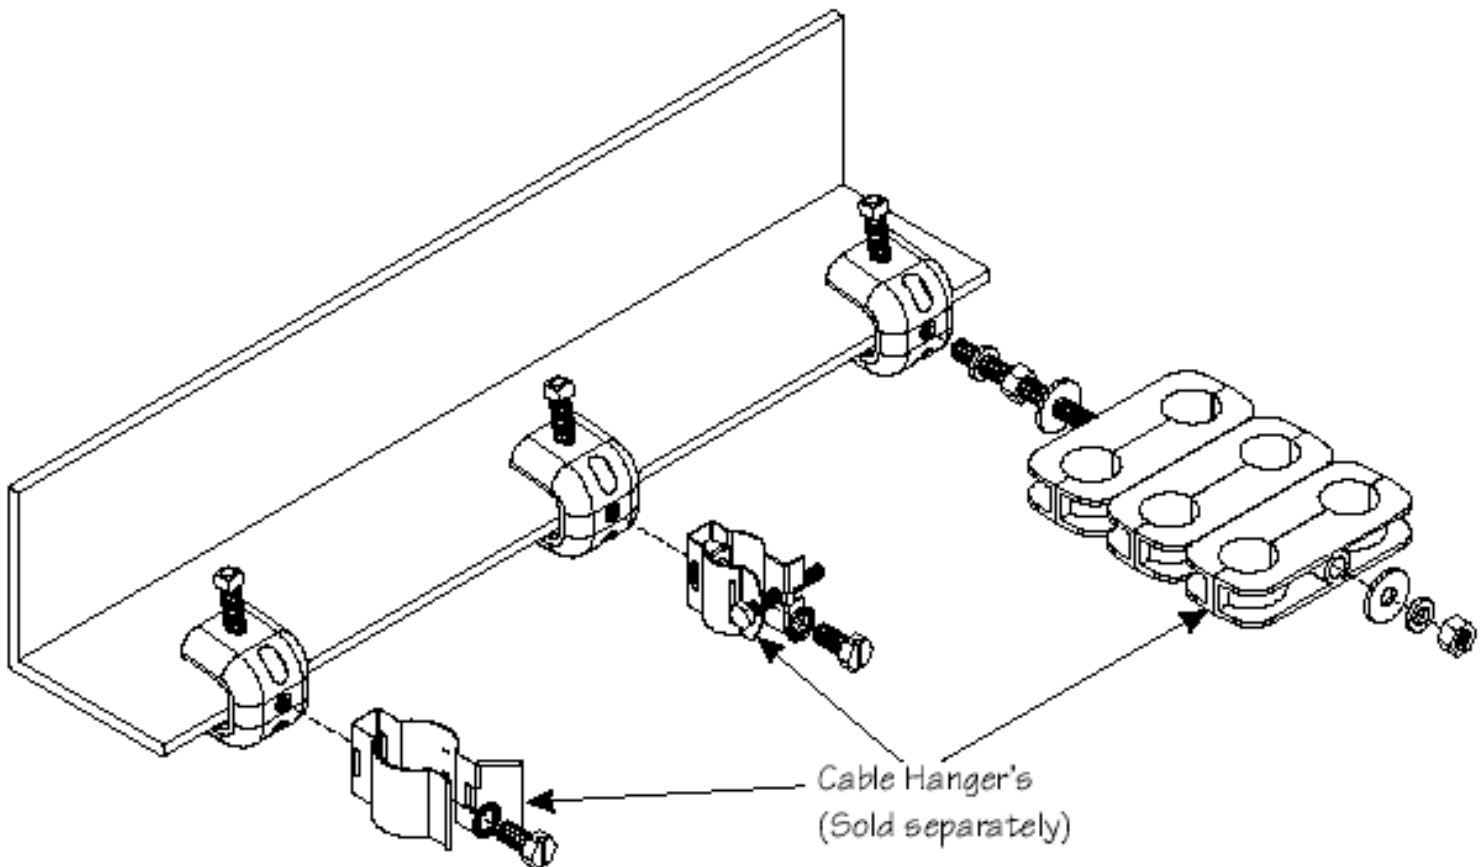

PRODUCT DESCRIPTION

The TH Series Angle Adapters provide a versatile means for securing cable hangers to solid angle members or to angle members where prepunched holes are not easily accessible. This design accommodates a standard 3/8" threaded rod or bolt when mounting coaxial cable hangers which utilize a 3/8" threaded hole. Each kit includes:

- (10) SST Angle Adapters
- (10) Set Bolts
- (10) Stainless Steel Slotted Bolts
- (10) 3/8" Stainless Steel Toothed Lock Washers

Typical Applications

NOTE

Installation of this product should only be performed by trained, qualified and experienced personnel. Installation instructions for this product should be read thoroughly before installation is performed. The manufacturer and supplier of this product disclaims any liability or responsibility for the results of improper or unsafe installation practice.
