

Installation Instructions

Stainless Steel Butterfly Hangers provide a traditional means of securing a single run of cable to a 3/8" hole on all types of structures. The product design and shape ensures effective installation, and can conveniently be used with the Angle Adapter (C-Clamp) or Round Member Adapter Kit. Sold in packs of 10.

MATERIAL LIST

Each kit (box) contains 10 Stainless Steel Hangers, 10 Clip Inserts, 10 locking bolts and 10 nuts.
