

Product Description

The Clip On Grounding Kit provides reliable protection of your coaxial cable system and fits coaxial cable from 1/2" to 2-1/4". The clip design and pre-formed strap allows them to be easily slipped over the outer conductor of the coax and firmly latched into place, greatly reducing installation time over other grounding kits. All buss bar attachment hardware is included, along with required mastic and electrical tape for weatherproofing.

Includes a 5' 6-gauge, 7-strand copper ground lead with a 3/8" two-hole unattached lug. Sold individually.

Part Number	Description	Quantity
CX24-GK12	Clip-on Ground Kit for 1/2" corrugated coax. Includes 5' (1.5m) lead with unattached 3/8" (9.5mm) two-hole lug	Each
