

These hardware kits allow Hanger Clamps, and Mini and Large Coax Support Blocks to be easily and quickly stacked in 1, 2, and 3-stack configurations and then mounted to pre-drilled holes or used in conjunction with a complete selection of mounting accessories. Include pre-cut threaded rods, nuts, flat washers, and lock washers.

Available in either 3/8" Galvanized or Stainless Steel. Separate kits are available for 1-5/8", which can also be used to stack any configuration of different sized blocks.
